

PARAMOUNT SERVICES (UK) LIMITED

ENVIRONMENTAL POLICY

Paramount Services (UK) Limited is committed to continually improve and promote sound environmental practice. We believe that environmental protection is a strategic business issue and an integral part of corporate strategy.

Paramount Services (UK) Limited will:

- Fully comply with all relevant environmental laws and regulations.
- Set clear, practical environmental objectives that are relevant to the nature, scale and environmental impact of our activities.
- Inform all employees of their responsibilities in following good environmental practice and the contribution that they can make in achieving continual improvements in environmental performance.

Paramount Services (UK) Limited has the following key objectives:

- Reducing, or avoiding where possible, pollution of the air, land or water.
- Reducing waste and re-using and recycling materials where possible.
- Reducing water usage and recycling water where appropriate.
- Reducing the consumption of energy by sensible energy management of our buildings, equipment and vehicles.
- Liaising with our customers and suppliers to promote sound environmental practice in the selection, use and disposal of all materials used in the company's business.
- Encouraging the development of good environmental practice by all the company's employees.

The Company is committed to developing Good Practice Procedures to enable the adoption of the most environmentally sympathetic means to support its service delivery.

The operation of this policy and adopted Good Practice Procedures will be reviewed annually.
